Day 1**Delhi – Agra****(210 km, 4-5 hrs)**

Morning pick from your hotel in Delhi & you will be driven to Agra for 01 night stay.

Agra Just over 210 kms. from Delhi, is Agra, the city of Taj Mahal a poem in white marble built in the 16th century by the emperor Shahjahan as a monument of love. Agra was once the capital of the Mughals and the relics of the glory are scattered all over the city. From the Taj Mahal to the massive Agra Fort, the delicately carved Itmad-ud-Daulah's tomb, Akbar's deserted majestic capital Fatehpur Sikri, Agra is India's best-known tourist destination

Early morning you will be driven to Agra. Arrive Agra and check-in at hotel.

Later this afternoon you will proceed to visit the Agra Fort - the seat and the stronghold of the Mughal Empire under successive generations. Visit its Hall of Public

Audience and its Royal Pavilions.

Afternoon, you will + visit the Taj Mahal. The Taj Mahal is everything that has been said about it and more ... Taking 22 years and 20,000 men to build, the white marble was quarried 200 miles away and was transported to the site by a fleet of 1000 elephants. Built by the Mughal Emperor Shah Jahan as an expression of his love for his wife Mumtaz Mahal, in mid 17th century, the Taj Mahal is truly one of the wonders of the world. Though the Taj appears to be amazingly perfect from almost any angle, it is the close-up marble inlay work, which is really astounding. You will have ample time to view and be mesmerised by this outstanding piece of architecture in the light of setting sun and to later assemble with the whole group for a photograph with the Taj as a backdrop.

Overnight stay in Hotel.

Day 2**Agra -Jaipur****(240 km, 4-5 hrs)**

After breakfast at 0730 hrs. you will be driven to Jaipur for 01 night stay.

Jaipur About 240 kms west of Agra lies the pink city of Jaipur. Capital of the state of Rajasthan, the city is known for its forts and palaces and tales of Rajput Chivalry. The extensive use of pink shade started as a special show of warmth to the British Royalty in the early part of the century has given a distinctive touch to the city. The frieze, the intricately carved marble screens marble

screens and quaint edifices like the Hawa Mahal lend a charm to Jaipur all its own. Jaipur's crowded bazaars are famous for tie and dye garments and gems and jewellery. In the morning following breakfast you will be driven to Fatehpur Sikri enroute to Jaipur, the deserted capital of the former Mughal Emperor Akbar. It was built as his capital but abandoned only 15 years later, supposedly due to shortage of water. In many ways it is one of the most impressive and romantic legacies of the Mughal dynasty. Within the walls you will see some interesting buildings, which remain in excellent condition 400 years later.

On arrival in Jaipur check-in at your hotel. Afternoon free on own. Overnight stay in Hotel.

This morning you will be driven to the ancient capital of Amber to see the fabulous Amber Fort. Maharaja Mansingh, Mughal Emperor Akbar's most successful General, started the construction of Amber Fort in the 17th century. Before the City Palace was constructed in Jaipur, Amber was the seat of power. The fort is surrounded by fortified battlements and overlooks the Moat Lake. Ruins and remains are spread over the Aravalli hills and sprawling crenellated walls lattice the surrounding area. An elephant will spare you the trouble of reaching up to the fortress. Once on top you will have the opportunity to stroll through the sprawling complex of courtyards and halls. Many of the rooms have delightful wall paintings, with precious stones and mirrors inlaid in the walls. Most fascinating, perhaps, is the Sheesh Mahal (hall of mirrors) where a single lamplight is reflected in the many mirrors, lighting up the room.

Later visit City Palace, which is an overwhelming complex of exquisite palaces, gardens and courtyards, decorative art and carved doorways. The palace museum houses collections of rare manuscripts, armoury, costumes, carpets and miniature paintings. Walk to the adjacent Jantar Mantar or Astronomical Observatory made by the Maharaja of Jaipur, built in 1726 and is one of the five such astronomical wonders built by Sawai Jai Singh and makes accurate predictions even to this day. Lastly visit the Hawa Mahal (Palace of Winds) is a landmark of Jaipur and stands 5 stories high. The cool winds blows through its facade of windows and latticed screens through which the queens of the court once viewed the streets of the city.

Later this evening, you will be driven back to Delhi. On arrival in Delhi, you will be transferred to International Airport for onward journey.
